To: Ankit Maheshwari <ankit@inspheresolutions.com>

Dear Ankit,

In accordance with the discussions we had with you regarding the development of the Web Application and the mobile application development against the work order no. 490001364 dated 13/09/2021. we are confirming that Insphere Solutions Pvt Ltd is developing the application. The application will run on Amazon Web Services infrastructure. AWS infrastructure is also used for development and staging environments.

Please let us know, if you need any further information.
